

ART CONTEST!

We need your art!

Attention Students!
We encourage you to enter the St. John Parish Industrial Group Art Contest.

Draw, color or paint your idea of "environment" or our 2015 theme "Celebrate Louisiana." Perhaps a turtle, alligator, flowers, bayou scene or boating is your idea of environment. Use your artistic talent and let us learn what *environment* or *Celebrate Louisiana* means to you. We are eager to see your work!
